### Let It Go

If you are holding onto something that doesn't belong to you and was never intended for your life, then you need to...Let it go!

If you are holding onto past hurts and pains...Let it go!

If someone can't treat you right, love you back, and see your worth...Let it go!

If someone has angered you...Let it go!

If you are holding onto some thoughts of evil and revenge...Let it go!

If you are involved in a wrong relationship or addiction...Let it go!

If you have a bad attitude...Let it go!

If you keep judging others to make yourself feel better...Let it go!

If you're stuck in the past and God is trying to take you to a new level in Him...Let it go!

If you are struggling with the healing of a broken relationship...Let it go!

If you keep trying to help someone who won't even try to help themselves...Let it go!

If you're feeling depressed and stressed...Let it go!

If there is a particular situation that you are so used to handling yourself and God is saying "take your hands off of it," then you need to...Let it go!

Let the past be the past. --Copied

### I Know the Secret of a Happy Life

A local radio station awarded a recent contest winner tickets for a special concert. The winner's excitement was multiplied when she learned she was receiving ten extra tickets to share with friends and family.

We experience great joy when we find faith in Christ and receive His salvation, but our happiness is multiplied only when we share our discovery with others. The secret to a happy life is finding every opportunity to tell others about the love that God has for them...there is no limit to the number of people that you can include. Share the good news of the Cross! --Copied

#### Love Is

LOVE is silence when your words would hurt.

LOVE is patience when your neighbor is curt.

LOVE is deafness when the scandal flows.

LOVE is thoughtfulness for another's woes.

LOVE is promptness when duty calls.

LOVE is courage when misfortune falls.

*Love is the one treasure that multiplies by division. It is the one gift that grows bigger the more you take from it. It is the one business in which it pays to be an absolute spendthrift. You can give it away, throw it away, empty your pockets, shake the basket, turn the glass upside down, and tomorrow you will have more than ever. --Anonymous*
