EXODUS 28:12

He Walked In Our Shoes

To help his staff of young architects understand the needs of those for whom they design housing, David Dillard sends them on “sleepovers.” The put on pajamas and spend 24 hours in a senior living center in the same conditions as people in their 80s and 90s. They wear earplugs to simulate hearing loss, tape their fingers together to limit manual dexterity, and exchange eyeglasses to replicate vision problems. Dillard says, “The biggest benefit is that when I send 27-year-olds out, they come back with a heart 10 times as big. They meet people and understand their plights.”

Jesus lived on this earth for 33 years and shared in our humanity. He was made like us, “fully human in every way,” so He knows what it’s like to live in a human body on this earth. He understands the struggles we face and comes alongside with understanding and encouragement.

“Because Jesus himself suffered when He was tempted, He is able to help those who are being tempted.” The Lord could have avoided the cross. Instead, He obeyed His Father. Through His death, He broke the power of Satan and freed us from our fear of death.

In every temptation, Jesus walks beside us to give us courage, strength, and hope along the way.

Total Support!

Our friend H. Stephen Glenn is one of the most affirming, empowering individuals we have ever met. He instantly inspires us to always look for the positive.

Stephen was at his grandson’s tee-ball game a while back. A little boy came up to bat. He swatted the ball off the tee and ran as fast as he could to third base. The coach went up to the little boy and said “Boy, you sure hit that ball a long way.”

The little boy said, “I did?” “Yeah, and you ran really fast to third base and surprised everybody!”

“I did?” he asked.

“Yes, you did. I have one question to ask you before you come to the dugout to watch the rest of the inning,” the coach said to the boy. “When you made the decision to run to third base instead of first, what were you thinking of?”

The boy replied, “Well, everybody that was running to first was getting put out.”

The coach took the boy to the dugout to talk to him. “Last time you made the choice of running to third base instead of first, surprised everybody, and made it, but you didn’t get a chance to score. Now you’ve got the same choice again. You can choose to run to third and probably make it okay but you won’t get to score, or you can take the risk of running to first base. You may get put out, but if you make it you get a chance to score. But, whatever you decide, I want you to know we’re right there behind you.”

We do not have enough teachers and therefore there are some Bible classes with a wide range of ages in them. Some subject matters and teachings may not always be appropriate for such a wide range of students. We ask that if there is anyone who is willing to teach that they would speak to Brian Braxton to find out more details. Anyone who can, men or women, please consider helping out.

You are invited to honor Alayna Fuller and Fisher Powell on their upcoming wedding with a gift card to help them purchase housewares, hardware and essential items for their new home. You can give the cards to Betty Rhodes or Marilyn Preaus. They will be given to Alayna on Wednesday, June 2.

Please keep the Wright family in your prayers in the loss of their loved one, and all others who have lost loved ones recently.

Everyone is invited to stay and enjoy a meal with us in the fellowship room following this morning’s worship service!

Persons thankful for little things are certain to be the ones with much to be thankful for.

Remember, we all stumble, everyone of us. That’s why it’s a comfort to go hand in hand.

Children reinvent your world for you.

The measure of a man’s real character is what he would do if he knew he would never be found out.

Faith is believing in things when common sense tells you not to.
