### The “LITTLE” Things

After September 11<sup>th</sup>, one company invited the remaining members of other companies who had been decimated by the attack on the Twin Towers to share their available office space. At a morning meeting, the head of security told stories of why these people were alive....and all the stories were just:

The LITTLE Things.

As you might know, the head of the company got in late that day because his son started kindergarten.

Another fellow was alive because it was his turn to bring donuts.

One woman was late because her alarm clock didn't go off in time.

One was late because of being stuck on the NJ Turnpike because of an auto accident.

One of them missed his bus.

One spilled food on her clothes and had to take time to change.

One's car wouldn't start.

One went back to answer the telephone.

One had a child that dawdled and didn't get ready as soon as he should have.

One couldn't get a taxi.

The one that struck me was the man who put on a new pair of shoes that morning, took the various means to get to work, but before he got there, he developed a blister on his foot. He stopped at a drugstore to buy a Band-Aid. That is why he is alive today.

Now when I am stuck in traffic, miss an elevator, turn back to answer a ringing telephone...all the little things that annoy me, I think to myself, this is exactly where God wants me to be at this very moment.

Next time your morning seems to be going wrong, the children are slow getting dressed, you can't seem to find the car keys, you hit every traffic light, don't get mad or frustrated; God is at work watching over you. May God continue to bless you with all those annoying little things and may you remember their possible purpose.

A Sign-up Sheet has been posted on the bulletin board for anyone who wants to participate in “Heart Sisters.” Please sign it if you plan to participate. We are planning our first meeting in October, the date to be announced. We will follow social distancing guidelines, and meet in the Fellowship Hall each month for a light meal, a devotional and service project. We hope you will join us in this good work to bring glory to God.

The weekly bulletin is now being posted to our website, [fvcofc.org](http://fvcofc.org), under the Bulletins tab at the top right. We are also exploring the possibility of emailing the bulletin. If you are interested in receiving the bulletin by email you can send an email to [fvcofc@outlook.com](mailto:fvcofc@outlook.com), or use the “Contact Us” area of the website to get in touch with us.

For anyone without access to Facebook... whenever we go live with a video stream it is simultaneously cast to the home page of our website, [fvcofc.org](http://fvcofc.org). After it ends, the stream remains there and is watchable until the next livestream starts.

We are planning to send a donation from the general fund to “Disaster Assistance” to help with support for the recent hurricanes. If you would like to make a special contribution to be included with that amount please make your check payable to Church of Christ and put disaster assistance on the memo line. You can either put it in the collection plate or give it directly to Chris Strickland. Please have it turned in by Sunday September 27<sup>th</sup>.

We will resume Sunday morning Bible classes for kids and adults on Sunday October 4<sup>th</sup> at 9:45 AM with precautions for distancing. If you are in the auditorium adult class please sit where you want, but stay in that same location for worship service to limit cross-contamination.

At this time we are not resuming Sunday evening service, and we are not resuming children's classes on Wednesday nights. However, children are welcome in the Wednesday night auditorium class...so please come if you can and study the Bible with us.
